(d) by when a final decision in this regard is likely to be taken?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYAN RAO): (a) and (b) In compliance of the orders of Hon'ble Supreme Court a Committee has been constituted by the Government under the Chairmanship of Secretary (Coal) to formulate Coal Distribution Policy. The recommendations of the Committee are in final stages of formulation and would then be submitted to Government for approval.

(c) and (d) With a view to provide better quality satisfaction, CIL is, *inter-alia*, contemplating to involve participation of private entrepreneurs having core competence in the field of coal washing, for setting up washeries with modern technology on Build & and Operate basis for supply of improved quality after washing, to the consumers, except for those located at pithead. Coal India Limited (CIL) and Subsidiary Companies may provide infrastructural and other facilities. CIL is also contemplating to set up washeries at all new open cast projects of more than 2.50 mty capacity which are not linked to pithead power station.

Coal-mining block to private sector

4593. MS. MABEL REBELLO: Will the PRIME MINISTER be pleased to state:

(a) the total number of coal blocks which have been given to the private sector, till date, for mining;

(b) the names of the parties with size of the coal blocks reserve in terms of million tonnes;

(c) the number of the private parties who have started mining coal for their own use since these blocks have been given on captive basis;

(d) Government's action thereto with the private parties who have not started using these coal-mining blocks; and

(e) whether his Ministry have any plan to cancel these blocks?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYAN RAO): (a) 60 coal blocks have been allocated to the private sector companies so far.

(b) A Statement showing the names of the parties with size of coal reserves is enclosed (*See* below).

(c) 7 private parties have stated mining of coal.

(d) and (e) The Ministry of Coal has initiated various measures such as quarterly review at the Ministry level, bi-annual review by the Coal Controller, laying down of specific time bound milestones for development of coal blocks, introduction of bank guarantee deposit etc. in order to ensure timely development of coal blocks allotted to private companies. Based on the periodic monitoring, the Ministry reviews the cases and wherever found necessary, the Ministry takes appropriate measures on merits, including deallocation of block where warranted.

Statement

Captive Mining Blocks Allotted to Private Parties
